

GM&O Historical Society

As a *GM&OHS* member, you will receive no less than 80 full-color pages over three issues of our flagship Society magazine, the *GM&OHS NEWS*. Ranking as one of the finest magazines of its type in the country, the *NEWS* not only chronicles GM&O history, but also predecessor roads *Chicago & Alton*, *Mobile & Ohio* and *Gulf, Mobile & Northern*, as well as successor road *Illinois Central Gulf*. You will also receive four editions of the *Switchlist*, the Society newsletter which will keep you abreast of all developments within the *GM&OHS*. In addition, you will receive first notification on *GM&OHS* projects, such as our fine line of custom painted HO scale cars, Back Issue CDs, and special offers as well as events like Society shows and meetings.

Benefactor

This is the highest and most generous level of membership for those willing and able to further the Society's goals. A Benefactor member enjoys all the benefits of Regular membership, a potential tax deduction, is recognized within the pages of the *NEWS*, earns free admission to all sponsored trade show events, and is rewarded with the satisfaction of having made a significant contribution to the continued success of Society programs.

Sustaining

For those who wish to make an added contribution beyond the Regular membership level, a Sustaining membership receives all Regular membership benefits, earns a potential tax deduction, is recognized in the *NEWS*, and earns free admission to Society trade shows. Income from this higher level helps fund programs like model projects, publishing of the *NEWS* and the *Switchlist*, as well as future projects.

Regular

Unlike many railroad historical societies, the *GM&OHS* has not raised Regular dues levels for the past **ten** years. Regular members receive an annual membership card, all issues of the *NEWS* produced during the year, four mailings of the *Switchlist*, and all announcements for Society special projects.
